Born in Atesa (CH), Italy, on 7 March 2000 • moresca.2192853@studenti.uniroma1.it

Education

M.Sc. in Computer Science

Sapienza University of Rome

Ongoing

Expected graduation: October 2026.

Current weighted average: 29.43/30, based on completed Master's exams.

Main interests: Artificial Intelligence, Machine Learning, and Large Language Models.

B.Sc. in Media Science and Technology

University of Rome "Tor Vergata"

16 Apr 2024

Degree class: L-35, Mathematical Sciences. Final grade: 110/110 cum laude. Weighted average: 27.70/30.

Experimental thesis: "*Post-Processing in Unity*". Supervisor: Prof. Alberto Berretti. Co-supervisor: Jacopo Zuliani.

Scientific High School Diploma

Liceo Scientifico "Galileo Galilei"

2014–2019

Papers

2026: Migliarini, M., Pizzini, J. P., **Moresca, L.**, Santini, V., Spinelli, I., Galasso, F. "*Quantifying Self-Preservation Bias in Large Language Models*". **Accepted at EMNLP 2026.**

Under review: Migliarini, M., Santini, V., **Moresca, L.**, Spinelli, I., Galasso, F. "*Model Priming: Cost-Efficient Unverified Handoffs for Fast LLM Generation*". Paper under review.

Research Experience

Research collaborator, AFC

PINlab, Sapienza University of Rome

Sep 2026–Present

Research work under the supervision of Prof. Fabio Galasso, in collaboration with Indro Spinelli and Matteo Migliarini. The work concerns Large Language Models, bias analysis, fast generation methods, and evaluation protocols. This activity led to the co-authorship of 2 scientific papers and is the basis of my Master's thesis.

Teaching and Academic Experience

Adjunct professor

University of Rome "Tor Vergata"

Mar 2025–Present

Professor for the third module of the course "*Digital Cinematography + Digital Image Processing*". The module covers color management, contrast, and visual perception, with practical work in Adobe Photoshop and Adobe Lightroom.

Teaching assistant

University of Rome "Tor Vergata"

Oct 2023–Jan 2024

Teaching assistant for the course "*Digital Image Processing*" in the B.Sc. program in Media Science and Technology.

Academic collaborator

University of Rome "Tor Vergata"

Jun 2022–Oct 2023

Skills

Research: Digital Image Processing • Computer Vision • Machine Learning • Large Language Models • Model fine-tuning • Human-Computer Interaction

Cisco Certifications

Endpoint Security • Discovering Entrepreneurship • Introduction to Modern AI • Network Addressing and Basic Troubleshooting
